

BENNER Tree in Ireland

The Benner line in Ireland descends from Henry (aka Heinrich) Benner, and his son Paul who arrived in Ireland as part of the Palatine migration.

Paul had three children, John, Agnes, and Henry. Agnes married Peter Lawrence and emigrated to Canada. John and Henry married two sisters, Cynthia and Elizabeth Dolmage (aka Delmerge).

The resulting third generation Benner children in Ireland are shown below.

Children of Philip () & Agnes Benner (1767-1847)
